'JOCK'S WAGGIN' TONGUE

Vol. 4 Thur. JULY 4 No. 26
Jock McIntyre, Editor

Crop Report—Generally conditions are good, wheat is heading fast, hoppers are still not bad. If anyone can do anything about the weather we suggest they do it as it will be needed soon.

The budget has been brought down and we believe contained a pleasant surprise for all as the new taxes are less than a lot of people expected. We still insist that there will be no unwarranted price increases in our store as we still want to be "Your Hardware Merchants."

Ted and Mrs. Fleetwood are district visitors from Trail.

Don't forget that the first moisture we get may contain hail, let Geo. Dupue protect you with Alberta Hail Boards insurance. The rates are less this year and the protection is much better owing to large reserves that are built up. 100 per cent coverage for your losses at no increase in rates.

Dave and Mrs. Watkins were Logan Pass visitors over the week end.

Screen wire cloth in all its sizes and both galvanized and black as well as adjustable window screens. Why give the flies a chance at all?

Fred Alder is a district visitor having driven a new Chevrolet car back from the East.

Don't get out on the road without a set of flares on your truck. We have the approved flares in a metal box and they are priced reasonable too.

V. Stout and Buddy, C. Luchis and Laura were week end visitors in Spokane.

Marshall Wells, the paint of quality and endurance is the cheapest protection in the end, our stock is complete and the price is right.

Lawrence Seigel and lady are guests at August Seigel's this week.

Ray Wellman has purchased one of those good Mc-Eng. oil bath mowers and says she is a "dude."

Buy your war saving stamps at our store, they are here for your convenience only.

Champion was forced out of the tournament by Barons in the first game with a score of 12 to 9.

The Second game, between High River and Stavely which was the best game of the three ended in a 3 to 1 victory for Stavely.

The third and final game between Stavely and Barons held after supper ended in a 19-3 defeat for Barons.

The men's ball throw was won by Don Ulrich of Vulcan and his close second was J Owsley of Barons.

The Ladies Ball Throw was captured by May Fisher and Evelyn Racher taking second place.

The dance at night was a huge success with Frasers Orchestra providing the music.

The Catholic Altar Society had charge of the booth on the grounds and really served the public in proper style.

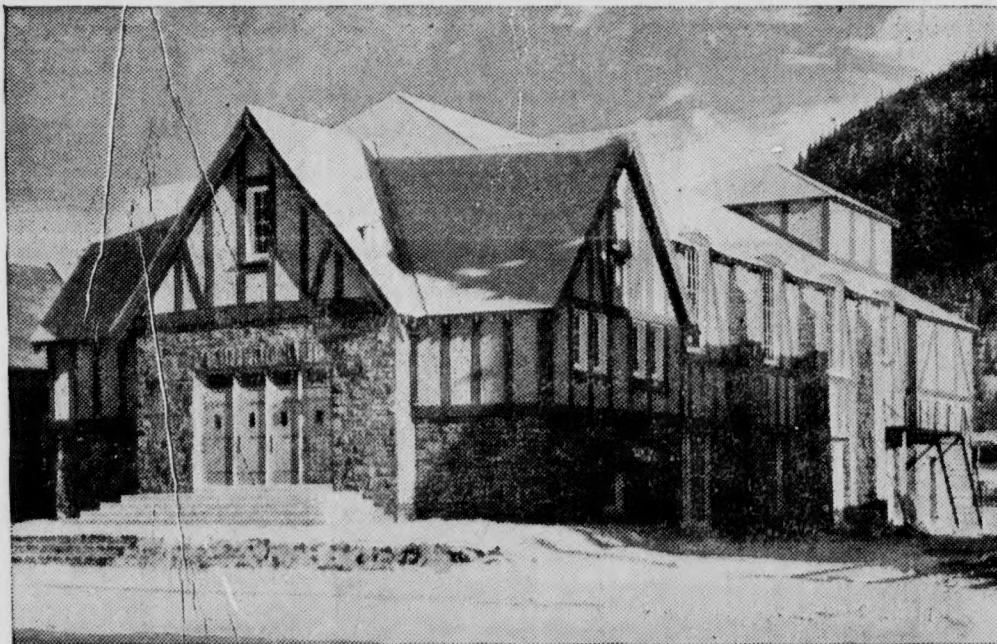

Publisher Renews Acquaintances Here

The Publisher of the Chronicle visited Champion this week and expressed himself as being so pleased at meeting old friends again. Time did not permit him to see all but he expects to return again from the east and will spend a longer period in the district.

Mr McRae was enthusiastic regarding the continued support accorded the Chronicle by the advertisers and job work patrons. He also made special reference to the staff of his satisfaction at the effort being made to win the war in the sale of certificates and the work of the ladies serving.

The Publisher of the Chronicle during his short stay did receive a general insight into the Public affairs in Champion including the Churches, lodges and the Municipal Councils. He was loud in his praises of the Municipal councillors of Harmony and the Village of Champion for their efforts to reduce taxes and still maintain services to the community. In this way they are co-operating with the Government to win the war

New Home for Banff School of Fine Arts

The Banff School of Fine Arts has a new home which is as modern as the splendid work done by the school. The new auditorium, which was officially opened in January in the presence of educational and other Alberta leaders, will be the scene of the eighth annual session of the school, from August 1st to 31st.

This \$50,000 building is made of native Rundle stone and is of the chalet design which harmonizes so well with the surroundings. The theatre has a seating capacity of 700 and a modern stage fitted with the finest lighting equipment and there are dressing rooms, music room, work rooms and other meeting rooms for small

groups. The building is truly a co-operative effort. The Parks Department deeded two lots worth \$10,000 to the Banff School Board and supplied plans and specifications free of charge; the Sir Edward Beatty donation of \$2,500 to the Department of Extension of the University of Alberta made possible the furnishing and equipment of the stage and theatre.

Blusson Amity Club Help Red Cross

The Blusson Amity Club held an Ice Cream and Strawberry Social at the lovely farm home of Mr and Mrs Ed Carlson on Wednesday afternoon of this week in aid of the Red Cross.

A large number of the town and country folks attended and report a good time.

The lovely lawn and peonies were marvelled by all in attendance as it is somewhat unusual to see so much color and greenness in one spot in these southern parts of Alberta as you see at Mr and Mrs Carlson's farm home.

Mr and Mrs. Louis Roemmele entertained Rev. and Mrs. Taylor and Mr. and Mrs. Folk at a dinner Tuesday evening. This was a farewell dinner to the guests of honor, Rev. and Mrs. Taylor who left for Delia on Wednesday.

Democracy or Despotism

The War Savings Committee for Alberta has adopted a slogan; Democracy or Despotism - Which?

The seventy third birthday of our Dominion is with us and we begin to realize that after so brief a national life we are faced with the alternative of such a thought.

Democracy or despotism! Even yet they sound to us more like words than realities. Only in recent days have we been faced with the question; Which will be our destiny?

Democracy is a system of life which we are trying to build up. Man has not yet made his house perfect and democracy is a succession of experiments in liberty of thought and action. It is for this somewhat faulty but noble conception that we have to fight.

Despotism is that which has cast its black shadow over Europe, and seeks to engulf the world in its folds. Opposed to it today is the British Empire. The heart of that empire is facing dreadful days with courage and fortitude. We in the outer reaches have the high privilege of doing something to help.

Bond issues and Government loans are all very good but the deep spirit of our people can be shown in buying War Savings Certificates and Stamps. With every purchase, however small, will go a heartbeat for the Empire and for Christianity. The accumulation of love and earnest effort on behalf of our country.

We may not go to war can do nothing that will count more than lending our small and intimate saving to our country. We can do nothing that will register more deeply in behalf of ultimate success.

HELPING THE TOURIST

Helps
CANADA

EVERY year well over 10,000,000 tourists visit Canada from the United States. They spend some \$250,000,000 in the Dominion. Canada's tourist trade has become one of the most important sources of the country's national income. Under stress of war, American tourist dollars are vital in providing needed exchange. Canada's Chartered Banks materially assist in promoting this valuable trade. Over 3,000 branch offices provide the tourist with familiar banking services throughout the Dominion—often in the most remote areas. At any of these branches travellers' cheques are cashed, drawings under letters of credit negotiated, money exchanged, tourist information gladly furnished by managers and staff. By friendly, courteous treatment and efficient service, Canada's Chartered Banks add to the warmth of welcome and encourage the stranger within our gates to return another year.

In war, as in peace, Canada's Chartered Banks maintain, uninterrupted, all their services to depositors, farmers, manufacturers, exporters—facilitating the nation's business—looking forward to peace with freedom as the only sure basis for enduring prosperity.

Europeans Facing Wheat Shortage

There is no telling what the future holds in store. It is impossible to look ahead, even for a week. It is definitely known, however, that millions of Europeans are living on meagre rations from day to day that reserves of wheat and other foods are being rapidly depleted and that sooner or later enormous quantities of agricultural products will be required in Europe to prevent an extensive famine.

Champion High School Hold Picnic

The Champion High School had a grand finale at Willow Creek, Friday the 28th.

A very enjoyable afternoon was spent by all. Swimming and all the trimmings fill up most of the afternoon's activities.

Two softball games added to the entertainment. The Champion boys won with a slight edge over the Starline boys and the C.H.S. girls won over the Starline coeds. The scores being Champion 12 Starline 11 boys, Starline 12 Champion 14, girls.

The evening was spent with dancing and merriment.

The high school wishes to thank all those who helped to make the picnic a success and especially Mr Stewart, who kindly provided the transportation.
